Subject: [EXTERNAL] SWANA Core Advocacy Group Meeting Recording

SWANA Core Advocacy Group,

Thank you to everyone who was able to join the conference call this past Monday. If you were unable to join, or need to review any portion of the meeting, you can watch the recording below.

MEETING RECORDING: <https://attendee.gotowebinar.com/recording/5222013215711691275>

Attached are a PDF copy of the slides that were used, summary notes of the items that I covered in my advocacy update, and a copy of the last Advocacy Alert that was sent out. As we talked about during the call, it is important that the information contained in these Alerts are communicated to the Chapter and Tech Division leadership and/or membership when appropriate. Please discuss with them how they would like to receive this information in the future.

I encourage all of you to join us at [SWANApalooza](#) in Denver, Colorado, this March where we will continue discussing many of the issues that came up on this week's conference call.

If you have any questions or concerns, please don't hesitate to get in touch.

Sincerely,

Jesse L. Maxwell
